

Persona 1 — Alex Johnson (Budget-Conscious Student)

Age: 19 **Course:** BSc Computer Science **Year:** 1st Year

Background

Alex is a first-year student struggling with the high cost of textbooks. They prefer affordable, sustainable solutions and often borrow or buy second-hand materials.

Goals

- Reduce spending on textbooks
- Access study materials quickly
- Connect with other students

Frustrations

- Expensive books
- Limited access to shared resources
- Buying books used only once

How UniSwap Helps

Provides affordable, reusable study materials and connects Alex with peers.

Persona 2 — Priya Sharma (Organised High-Achiever)

Age: 21 **Course:** BSc Biomedical Science **Year:** 3rd Year

Background

Priya is a disciplined, high-performing student who keeps everything organised. She often buys books early and keeps them in excellent condition. She wants to help younger students by sharing her materials.

Goals

- Share books to help others
- Keep track of what she has lent
- Maintain a clean, organised workflow

Frustrations

- No central place to manage shared items
- Hard to track who borrowed what
- Wasted books after finishing modules

How UniSwap Helps

Allows Priya to list, track, and manage her shared resources easily.

EPIC 1: User Accounts & Access

User Story 1 — Account Creation

As a student (Persona: Alex), **I want to** create an account using my university email, **so that** I can securely access UniSwap.

User Story 2 — Login & Authentication

As a returning user, **I want to** log in quickly, **so that** I can access my resources without delay.

EPIC 2: Browsing & Searching Resources

User Story 3 — Browse Listings

As a student looking for study materials, **I want to** browse available books and notes, **so that** I can find what I need easily.

User Story 4 — Search Function

As a user, **I want to** search by title, course, or author, **so that** I can quickly locate specific resources.

EPIC 3: Sharing & Listing Resources

User Story 5 — Add a Listing

As a student who wants to help others, **I want to** list my used books, **so that** other students can reuse them.

User Story 6 — Manage My Listings

As a user, **I want to** view and edit my posted items, **so that** I can keep my listings up to date.

EPIC 4: Requesting & Exchanging Items

User Story 7 — Request a Book

As a student, **I want to** request a book from another user, **so that** I can borrow it for my coursework.

User Story 8 — Contact the Owner

As a user, **I want to** message the owner of a book, **so that** I can arrange a safe on-campus exchange.

EPIC 5: Safety & Accessibility

User Story 9 — Safe Exchange Locations

As a cautious student, **I want to** exchange items only on campus, **so that** I feel safe meeting others.

User Story 10 — Accessible Interface

As a student with accessibility needs, **I want to** use a platform that is easy to navigate, **so that** I can access resources without difficulty.
